

# Reasons Why You Should Buy Your Piano at Lamorey's

1—Because you can save from \$75 to \$120 on the price. 2—Because we sell nothing but standard makes, such as the BALDWIN, HAMILTON, ELLINGTON, HOWARD.

Why we can save you so much on the price of a piano:—in the first place we have no extra rent to pay, as we have the room in our clothing store and have to pay the rent just the same; second, we employ no agents and in this alone save 20 per cent, as that is the ordinary commission paid salesmen. We do all our own selling and give you the benefit of it; for example, a piano selling by the ordinary piano house that sells for \$500; take the agent's commission for selling, 20 per cent, one hundred dollars, then overhead charge to each piano would be about \$20.00, therefore you pay \$120.00 more elsewhere than you would have to pay here. Our price on the same piano would be \$380.00—you save \$120.00.

WHY NOT BUY PIANOS OF US AND MAKE THIS SAVING?

Great Things Here the Fourth Attreated Many Out of Town People.

The Fourth was one great and glorious day from early morning until late at night. The usual noise ushered in the day and early in the forenoon automobiles began to arrive. People were noted from Montpelier, Barre, Morrisville, Stowe, Waitsfield, Moretown, Fayston and all the nearby communities. The parade did not start until 10 o'clock. V. L. Perkins acted as marshal, assisted by Raymond Perkins, Mr. Joy, as a Rough Rider, also helped in the lead. Members of the American Legion, both marching and as cavalry, were followed by different organizations, among them the Woodmen, floats showing Queen Esther chapter, No. 7, O. E. S., campfire girls, girls of the Catholic church, automobiles carrying members of the G. A. R. and resident members of Marquis de Lafayette chapter, D. A. R., while the hit of the day seemed to be the jenny from "Waterbury to Montreal," on which was the traffic cop, much over the top.

The float of Queen Esther chapter, O. E. S., was one of the prettiest floats ever seen in this town and well deserved the first prize which it received. The star, with its five colors, also streamers of the same, showed, while stars and letters embellished the sides. Members of the order, dressed in white, were seated. The campfire girls won second prize and the girls of the Catholic church third.

For decorated automobiles, W. H. B. Perry won first; P. J. Grace second and J. B. Eldredge third. The cars in which rode members of the D. A. R. were noticeable with their flag wheels, the first carrying the banner and the second the flag which Capt. H. Denner Campbell carried through the World war. Miss Breta Atkins also stood as the Goddess of Liberty and at intervals their patriotism was evinced by the singing of Revolutionary songs. On the ridiculous side of the parade, the prize for best horrible on wheels was given to "Joyal and Tattor," second to Johnson and third to Cooley. To those on foot, first prize to Tom Blackford; second to A. H. Graves and third to Julian Ryan.

In the afternoon, the fair ground was the assembling place and in spite of the dust and heat, man, woman and child gathered there and watched most interesting and exciting horse races. Some good horses were in the game and while the prizes were not remunerative yet the training counted. Grand March won out in the 2:18 class; Esparole in the five-minute; Lady Dreamer in the 30 and Hal Wilkes in the 24. Most of the horses and horsemen went to St. Albans from here. Many prominent horsemen were present and this part of the day was called a great success. Then there were ball games, sports of all kinds and Community chautauqua. There was something to interest everyone and plenty of people to be interested in all lines.

## FATHER FOUND TWO-YEAR-OLD BOY VERY SICK

Was Thin, No Appetite, Had Swollen Lips, Stomach Pains, Itching Nose

A hardy woodsman and enthusiastic fisherman, Joseph K. Lane of Lincoln, Me., has a very interesting record to report. He writes: "As a boy, 37 years ago, I began to take Dr. True's Elixir. Once after six months, having logs, I came out of the woods and found my two-year-old boy very sick. He was thin, had no appetite, had swollen lips, pains in stomach, an itching nose, was suffering from constipation, for months."

"I had not been in the house an hour when an elderly lady—a good neighbor—came in and told my wife to get a bottle of Dr. True's Elixir, saying she had seen numbers of similar cases which it had relieved."

"My boy was given a half dozen doses of Elixir when he passed a lot of little worms, and right away began to show improvement; he began soon to eat with a relish, play around and look healthy. He did not have to take a full bottle, and in later years, whenever he got off his feed, a few doses would straighten him out quick."

"When I got constipated, a couple of teaspoons of Dr. True's Elixir fix me O. K."

"My son is grown up now and has a family of six children, and he has practically raised his family on Dr. True's Elixir. The children go out and get hold of something not good for them. It's hard to watch all the children, and so when they eat something they shouldn't and get sick, the Elixir is given and the family is put in good shape again."

"I have read in the papers you have to take a half dozen bottles of some remedies, but you don't have to do this with Dr. True's Elixir. Simply a few

doses and then quick relief. The three generations of Lanes have been kept healthy by using it.

Symptoms of Worms: Offensive breath, swollen upper lip, deranged stomach, occasional pains about the navel, pale face, eyes heavy and dull, twitching eyelids, itching of the nose and rectum, short dry cough, grinding of the teeth, red points on the tongue, starting during sleep, slow fever, constipation.

JOSEPH K. LANE.

Nearly every grown up and every child needs a laxative. The fond parents safeguard the health of their children by keeping their bowels in condition. In Dr. True's Elixir only pure herbs are used. No harmful drugs. Keep the bowels regular by using Dr. True's Elixir. At all dealers. Three sizes. Buy the larger size.—Adv.
